Dear Families,

We are delighted to announce our new range of after-school clubs for this term. We have worked hard to provide a variety of exciting activities for children across all year groups, giving everyone the opportunity to develop new skills, explore interests, and have fun with their friends.

Some clubs are **free of charge**, while others have a small cost of **£5 for the full 5-week programme**. We have limited the number of places available. Children can choose to 3, ensuring all children fair access.

TERM 1

Club Description	
Board Games club	Board Game Club is a fun and welcoming activity where pupils can meet with friends to play a variety of board games. The club helps children develop important skills such as teamwork, communication, problem-solving and strategic thinking while having fun. Children learn to take turns, follow rules and show good sportsmanship whether they win or lose.
Card Games Club	Looking for a fun way to challenge your friends, meet new people, and beat the boredom? Welcome to Card Games Club! Take on the thrilling Racing Demon Challenge, putting your speed, strategy, and teamwork skills to the test. Compete in our exciting UNO Tournament and battle it out to be crowned the ultimate UNO champion. If you're simply looking for a break from the everyday routine, our collection of Boredom Buster Games offers plenty of quick, fun, and entertaining card-based challenges. Whether you're a competitive card shark or just looking for something fun to do, there's something for everyone. Join us for a variety of exciting games, challenges and tournaments!
Forest School	Forest School club will allow children to explore and have fun in nature. It develops confidence and self-esteem as well as resilience. Improves mental welling and fosters social skills. The club will take place in the school grounds or the Haven (if it's bad weather).
Line Dancing Club	Line Dancing Club is a fun and energetic club where children learn simple dance routines while moving in lines to music. It helps children build confidence, improve coordination, and stay active while having fun with their friends. No dance experience is needed, and everyone is welcome to join in and enjoy learning new steps in a friendly and supportive environment.
STEM Club	What is STEM? It's Science, Technology, Engineering, and Maths coming together in action! It's taking raw everyday materials — like cardboard, straws, tape, and marbles — and turning them into amazing machines, bridges, and inventions. Why you'll love it: • Hands-On Thrills: No passive listening — every session is an action-packed quest. • Awesome Projects: Build straw robotic hands, marble run wall mazes, catapults, and more! • Epic Failures Welcome: Here, if a prototype collapses, it's not a mistake — it's just data for your next master build! Grab your friends, bring your big ideas, and join us for our next challenge!
Musical Theatre	Musical Theatre club is all things musical (Westend and Broadway). As a club, we will be singing, dancing, script reading and more! We will be working towards putting on a performance and showing off our talents! No previous experience necessary! Why you'll love it: • It combines singing, dancing and acting. • High-energy environment where you can have fun and express yourself. • It is a safe space to try something new. • Boost your confidence.
Detective Club	Code cracking, observation games, mystery-solving and missions
Jewellery Making	Let your child's creativity shine! Join us after school for a fun and creative club where children can design their own jewellery, explore exciting craft activities and take home something special each week. A fantastic opportunity to make friends, learn new skills and have lots of fun!
Read and Create Club	Read and Create Club is an opportunity to read a picture book and make a small craft to go with it! It's a chance for children to enjoy a variety of stories and be creative at the same time!
Playground games	A fun and energetic club where children can enjoy a variety of playground games, make new friends and develop teamwork skills while staying active and having fun.
Yoga	A fun and relaxing club where children develop balance, flexibility and mindfulness through simple yoga activities and games.

Places in all clubs will be allocated on a **first come, first served basis**, so we encourage families to complete the form as soon as possible to avoid disappointment.

If your child is offered a place in a **paid club**, the £5 charge will be added to your **ParentPay** account. Payment through ParentPay will confirm that you are accepting the allocated place. Please make payment promptly to secure your child's space.

We do not want any child to miss out on these opportunities. If you would like support with the cost of a club, please speak in confidence to your child's class teacher or contact the school office via email.

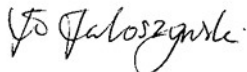

Please use the following link:

[After-School Enrichment Clubs – Fill out form](#)

The forms need to be completed by Friday 11th September.

We look forward to seeing the children enjoy the wide range of activities available this term.

Many thanks

Jo Jaloszynski
