30th September 2026

Autumn Census – Thursday 1st October 2026

This week on Thursday 1st October 2026, is school census day and we would like to encourage everyone, especially our children in EYFS and KS1 (Reception, Year 1 and Year 2) to order a school for the day. Remember that in Reception, Year 1 and Year 2, you have universal free school meals so there is no cost incurred to you by booking a meal for your child.

Our universal infant free school meal funding is based upon the information on the census date and we are wholly reliant on a high percentage of take up of Reception and KS1 school meals on this date if we are to maximise our school income. If you want to help our school funding in a really easy way, please order a meal for your children on a census day!

We are running a Burger themed day for school dinners which we know our children will enjoy! Please help us with a good uptake of school meals for all pupils across the school but booking this on SCHOOL GRID.

Thanks

Jo Jaloszynski
