18th September 2026

Dear Families,

We are pleased to share some exciting updates about our **Celebration Assemblies and reward system**.

From this term, **Celebration Assembly will take place every Friday at 2:40pm**. They will alternate weekly between **A Classes and B Classes**. We will let families know which classes are involved each week.

Families who have been invited to attend are warmly invited to join us for **tea and biscuits from 2:25pm**. Please meet **Mrs O'Reilly at the Green Gate**, where you will be welcomed into school before the assembly begins.

We have also refreshed our reward system and introduced some exciting new certificates. These new awards will replace our **Rainbow Certificates** and are designed to celebrate a wider range of achievements, effort, attitudes to learning, and personal successes.

We know many children have worked hard to earn rainbow stickers and merits, so we want to reassure families that these achievements will not be lost. Teachers have carefully worked out how to transfer existing rainbow stickers and previously awarded merits into the new system, ensuring children receive recognition for the progress they have already made.

We are looking forward to celebrating our children's achievements with you throughout the year and hope you enjoy seeing our new certificates in action.

Thank you for your continued support.

Yours sincerely,

Jo Jalosynski
