Wednesday 16th September

Dear Families

We would like to remind families of the importance of arriving at school on time. Our school day starts at **9:00am**, and children should be in class, settled, and ready to learn by then.

From **Year 2 onwards**, all children begin their Maths lesson at **9:00am**. If children arrive after this time, they are missing valuable Maths learning from the very start of the day. Late arrivals can also make children feel unsettled and cause them to miss important instructions and learning activities.

From tomorrow, any child arriving after 9:00am will need to enter school via the Green Gate and be signed in with Mrs Grindle and a member of the Senior Leadership Team.

To support families, we offer a Breakfast Club from 8:00am and a free Breakfast Club from 8:30am. These can be a helpful option for families who find mornings challenging, ensuring children arrive at school on time, have a positive start to the day, and are ready for learning.

We understand that getting to school on time can sometimes be a challenge, and we know that every family's circumstances are different. If punctuality is becoming difficult, please speak to us. We are here to work with you and offer support to help your child arrive at school on time and ready to learn.

Thank you for your support in ensuring all children have the best possible start to their day.

See you on the gate

Jo Jaloszynski

Headteacher
