11th September 2026

Welcome to Year 1

Timings for Day:

8:30am - Doors Open for register
12:15pm - Lunch Time
3:15pm – Pick Up

The team:

Class teachers for 1A – Miss Price
Class teacher (and phase lead) for 1B - Mr Matravers
Mrs White – Class 1A TA
Mrs Wyatt – Class 1B TA

Reading:

Reading should take place every day where possible with an adult. This will then be recorded in their reading records.
Keep going over phonics and start to ask questions after reading to develop understanding and comprehension. This helps boost their understanding and memory.

Phonics:

Double Daily session will be taught in school and there will be a national screening of phonics in June 2027. Phonics is a method of teaching children to read and write by matching sounds to written letters or groups of letters.

PE:

Children will wear kits into school on their P.E days. These are Wednesdays for 1A and Thursdays for 1B.

Uniform expectations:

All items of uniform are to be named to avoid misplacement. Ensure names are clear and legible. This includes coats, PE kit and wellington boots.

OPAL Play:

OPAL Play is a national programme designed to improve the quality of playtimes for all children. To achieve this, children are encouraged to play in all weather conditions. Coats and wellington boots will help us allow children to experience play in all weathers.

Communication Updates:

The school Facebook page is often updated to share information but we will also communicate through text message and letters. Please ensure all your contact details remain up to date over the course of the year. If any of your contact information changes please speak to the office and they can update this.

Uphill Trip:

Year 1 will be visiting Uphill on Tuesday 22nd September to look at features of the local area. Please see the letter sent home earlier this week for full details.

Kind Regards

Year 1 Team
